Dear Sir:

In response to the office action, mailed 2/09/2006, Applicant makes the following provisional election and has amended the foregoing application as follows and requests the examiner's reconsideration and passage of the application to allowance.

Applicant provisionally elects to proceed with the invention drawn to the specie 4connector shown at Figures 17-19h and claimed at claims. Applicant has also amended the claims as indicated below to comply with the election.

The amended claims are believed readable on the elected invention. Applicant's provisional election is made without prejudice to applicant's later filing of divisional or continuation applications to the elected and/or unelected inventions/species.

Enclosed also find a self-addressed return post card.
